## Meet the Team of Petoneer

We are a young, dynamic team of animal lovers with sheer love for our furry friends. Backed by years rich in engineering experience and in-depth knowledge of smart home, Petoneer is here to improve your pets' lives through the development of groundbreaking intelligent gadgets.

Our embedding design expertise and cloud service design skills enable us to deliver products that are cutting edge, solid & robust. With state of the art equipment, we provide in-house manufacturing services for prototyping and on-going product deliveries.

Fresco Fountain is the debut product by Petoneer for cats and dogs. Integrated with cloud-enabled and app-enabled technology, our Fresco Pro is the most efficient way available to monitor and control your pets' water anytime and no matter where you are.

Good things just keep happening! We will continue delivering smart feeding, fun toys and much more to pets' health and well-being!

A woman with long dark hair, wearing a white t-shirt and blue jeans, is kneeling on a light-colored wooden floor. She is smiling and looking down at a white and grey smart pet feeder. A Dalmatian dog is standing next to the feeder, looking into the bowl of food. The background shows a window with blue and white striped curtains and a blue wall.

## The App-enabled Pet Gadgets get smarter with Amazon Alexa

Petoneer commits to making you and your furry family live more comfortable, more convenient.

You can now control your Petoneer Smart Fountain and Smart Feeder with your voice thanks to Amazon Alexa!

From now on, you can water your beloved ones by saying:

“Alexa, turn on Fresco! ”

Now on the weekend, you don't have to get up to take care of your furry family by finding your phone or making a trip to your pet's place. Enjoy your sleep-in!

Life should be easy! Your furry family deserves it too!
