Short press the manual feeding button to feed instantly. (Default quantity is one portion, customizable through App.)

⑦ Connect feeder with your phone and schedule your feeding

Download the Petoneer App and connect the feeder to your Wi-Fi to schedule your feeding.

## Quick Setup

1. Scan the QR code on the right and download the Petoneer App which is available on App Store and Google Play . Click Sign up to get walked through to create your Petoneer account.

2. Power on and ensure the Wi-Fi Indicator LED is blinking fast reflecting the device is ready for joining the Wi-Fi.

Open the Petoneer App and click the '+' button and get walked through the SET-UP steps.

### Notice:

1. The feeder doesn't support the 5GHz Wi-Fi, please make sure your Wi-Fi is 2.4G.
2. If the Wi-Fi indicator is not blinking fast after power-on, please long press and hold the manual feed button until the indicator blinks quickly.

## LED Status

LED	Status
OFF	The food is more than 20%
Fast blinking red	The food is less than 20%
Steady red	Out of food

## Specification

Model: FDW010  
Power Input: 5V 1A  
Capacity: 3.7L (1.5Kg)  
Communication: Wi-Fi (2.4GHz)  
Range: 98.5 feet (30m)  
Warranty: 1 year

## Precautions

1. Please use it in the indoor environment;
2. Do not drop anything other than dry food into the food hopper. Otherwise, there is a risk of dysfunction or mistaken feeding;
3. To prevent feeder from being hit by pets, it is recommended to place the feeder at the corner or against the wall;
4. Please shield or organize the power cord well to prevent the pet from biting the cable and causing dangerous situations such as electric shock;
5. Do not disassemble or modify the device yourself;
6. This product is only suitable for DRY FOOD, and WET FOOD is prohibited.
7. This feeder is suitable for cats or small and medium-size dogs;
8. The pet food's shape and density will cause some deviations from the food hopper's capacity and the feeding unit's quantity.
9. After each fill-up of the hopper, there may be deviation of two portions at the initial feeding time. It is recommended to calibrate manually! (Click the manual feeding button until food is fed!)

## FCC NOTE:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: The Grantee is not responsible for any changes or modifications not expressly approved by the party responsible for compliance. such modifications could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable

protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

## **Environmental Conditions**

Operating Temperature: 14 °F to 131 °F, (-10 °C to 55 °C) (indoor only)

SkyRC Technology Co., Ltd. declares that this Nutri(FDW010), is in compliance with the essential requirements and other relevant provisions of the Radio Equipment Directive (2014/53/EU).

## **Environment friendly disposal**

You can help protect the environment!

Please remember to respect your local regulations: dispose of nonfunctional electrical equipment with an appropriate waste disposal center.

## **Manufacturer: SkyRC Technology Co., Ltd.**

Read all the instructions

When using electrical appliances, basic safety precautions should always be followed, including the following:

1. Do not touch hot surfaces. Use handles.
2. To protect against electric shock do not immerse cord, plug into water or other liquid.
3. Close supervision is necessary when any appliance is used by or near children.
4. Unplug from outlet when not in use and before cleaning. Allow to cool before putting on or taking off parts, and before cleaning the appliance.
5. Do not operate any appliance with a damaged cord or plug, should the appliance malfunction, or if it has been damaged in any manner. Return appliance to the nearest authorized service facility for examination, repair or adjustment.
6. The use of the accessory attachments is not recommended by the appliance manufacturer as it may cause injuries.
7. Do not use outdoors.
8. Do not let the cord hang over edge of table or counter, or touch hot surfaces.
9. Do not place on or near a hot gas or electric burner, or in a heated oven.
10. Always attach plug to appliance first, then plug cord in the wall outlet.
11. Do not use the appliance for other than intended use.
12. **WARNING:** Never leave the appliance unattended whilst in use.
13. **Warning:** keep the supply cord away from heating tip and metal enclosure while using.
14. This appliance is not intended for use by persons (including children) with reduced

physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instructions concerning use of the appliance by a person responsible for their safety.

15.Children should be supervised to ensure that they do not play with the appliance.

16.If the SUPPLY CORD is damaged, it must be replaced by the manufacturer, its service agent or similarly qualified persons in order to avoid a hazard.

17.WARNING: This tool must be placed on its stand when not in use.

SAVE THESE INSTRUCTIONS.

For the purposes of supply by Adapter, only use the detachable supply unit provided with this appliance:

Manufacturer: SHENZHEN KEYU POWER SUPPLY TECHNOLOGY CO., LTD.

Model: KA25-0501000EU

Input: 100-240V, 50/60Hz,0.25A;

Output: 5VDC, 1A

FCC ID: 2AFNL-TYWE3S

## Warranty Terms

Within the period of warranty, if the product fails with no fault of user operations, it will be repaired at Petoneer's expense. The warranty will not cover product failure in examples below:

- 1). Intentional damage to the product by the user or third party
- 2). Failure to operate or maintain the product following the (QIG) Quick Installation Guide Instructions.
- 3). Failure by natural wear and tear including but not limited to scratching, corrosion, oxidation and rusting.
- 4). Failure by non-authorized repair of the product including but not limited to user's own or third-party repairing attempts or modifications.

( All Pictures shown in the manual are for illustration purpose only. Actual product may vary due to product enhancement.)
