

Smart Dot
User Manual

Model: PTY010

Quick Setup

Scan the QR code and download the Petoneer app.
Click Sign up to get walked through to create your account.
Open the app and click the '+' button, and get walked
through the SET-UP.

Caution:

Due to the occasional upgrade of the APP, the actual operation may be slightly different from the above description; please follow the instructions in the current APP.

Operations

- 1 Power on by clicking the button on the bottom.
In this way, Smart Dot can run for 5 minutes automatically!

- 2 Click the Power button in the App to tease the cat by smart phone's acceleration mode. Turn off by clicking the Power button after playing!

Don't miss these tips!

- 1 Please avoid direct exposure to human and pets' eyes.
- 2 DO NOT use a mirror or other object to reflect the beam.
- 3 Place Smart Dot on the firm and stable surface.
- 4 Always clean with a soft dry cloth.
- 5 Kids can only use under adult supervision.
- 6 Applicable to: Cats

Warranty Terms

Within the period of warranty, if the product fails with no fault of user operations, it will be repaired at Petoneer's expense. Product failure in examples below will not be covered by the warranty:

1. Intentional damage to product by user or third party
2. Failure to operate or maintain the product in accordance with the Quick Installation Guide(QIG) instructions.
3. Failure by natural wear and tear including but not limited to scratching, corrosion, oxidation and rusting.
4. Failure by non-authorized repair of the product including but not limited to user's own or third-party repairing attempts or modifications.
